Important Information

After submitting an enrolment request you will be contacted by a member of our team to complete a questionnaire. The questionnaire must be returned before your enrolment can be finalised.

Who Is This Course For?

This qualification is designed for those who are working or looking to start work in health and social care, who would like an understanding of falls prevention. Falls Prevention is a Level 2 qualification, so a good standard of literacy is required.

What Can I Learn On This Course?

The objective of the qualification is to allow learners to gain knowledge and understanding of:
The impact and consequences of a fall

Risks and hazards which contribute to falls

Reducing the risk of falls

The qualification also covers the importance of recording and reporting any incidence of falls, to ensure that interventions can be put in place to reduce the risk and reoccurrence of falls.

How Is This Course Delivered?

Although this is an online course, you will receive extensive individual support throughout your studies. Your dedicated tutor is available to provide guidance and answer questions via email, telephone, Microsoft Teams calls, or in-person meetings. This approach ensures that you can study flexibly but have access to regular support in a way that suits your personal circumstances.

What Will I Need To Bring With Me?

To complete the course, you will need access to a computer and the internet. You will be given access to an online assessment account (e-assessor) to record and document your learning evidence.

What Skills Or Experience Do I Need?

No prior qualifications, experience or skills are needed, but you may find it helpful if you already achieved a level 1 qualification. You will also benefit from possessing basic IT skills to allow you to access the online materials.

How Will My Work Be Assessed?

This course is awarded by NCFE.

You will receive your own study pack made up of high-quality workbooks which your assigned specialist tutor will guide you through to complete your studies. You will be expected to complete all assessments on e-assessor, and your tutor will provide feedback after each assessment.

NCFE/CACHE Level 2 Certificate in Falls Prevention Awareness has 4 mandatory units which must be achieved:

- Unit 1: Falls in context
- Unit 2: The risk factors and causes of falls
- Unit 3: Falls assessment and prevention
- Unit 4: Managing falls

What Can I Do After The Course?

You could progress onto other Online Learning programmes such as:
Level 2 Certificate in Preparing to Work in Adult Social Care

Level 2 Certificate in Care Planning

Level 2 Certificate in the Principles of Dementia Care

Level 2 Certificate in Common Health Conditions
