Important Information

After submitting an enrolment request you will be contacted by a member of our team to complete a questionnaire. The questionnaire must be returned before your enrolment can be finalised.

Who Is This Course For?

This qualification is designed for those wishing to gain an understanding of end-of-life care. Those working or wishing to work in the care sector may wish to complete this course to support them in their role. You do not need to work in care to complete this course; this is open to anyone aged 19 or over.

What Can I Learn On This Course?

This course will develop your knowledge and understanding of:
How to work in end-of-life care

The support needed to manage pain and discomfort

How dementia impacts end-of-life care

The role of the care worker in time of death

The loss and grief process

How Is This Course Delivered?

Although this is an online course, you will receive extensive individual support throughout your studies. Your dedicated tutor is available to provide guidance and answer questions via email, telephone, Microsoft Teams calls, or in-person meetings. This approach ensures that you can study flexibly but have access to regular support in a

way that suits your personal circumstances.

What Will I Need To Bring With Me?

To complete the course, you will need access to a computer and the internet. You will be given access to an online assessment account (e-assessor) to record and document your learning evidence.

What Skills Or Experience Do I Need?

No prior qualifications, experience or skills are needed, but you may find it helpful if you already achieved a level 1 qualification. You will also benefit from possessing basic IT skills to allow you to access the online materials.

How Will My Work Be Assessed?

This course is awarded by NCFE. You will receive your own study pack made up of high-quality workbooks which your assigned specialist tutor will guide you through to complete your studies. You will be expected to complete all assessments on e-assessor, and your tutor will provide feedback after each assessment.

What Can I Do After The Course?

You could progress onto other Online Learning programmes such as:
Level 2 Certificate in Falls Prevention

Level 2 Nutrition and Health

Level 2 Principles of Infection Prevention & Control

If you are seeking work in care, you may also wish to consider classroom-based learning such as Get Into Care, which focuses on getting job-ready in the care sector. Your tutor will be happy to discuss your options with you.
