After submitting an enrolment request you will be contacted by a member of our team to complete a questionnaire. The questionnaire must be returned before your enrolment can be finalised.

Who Is This Course For?

This qualification is designed for those wishing to develop their knowledge and understanding of the principles of caring for those with dementia. Those working or wishing to work in the care sector may wish to complete this course to support them in their role. Please note that you do not need to work in care to complete this course; this is open to anyone aged 19 or over.

What Can I Learn On This Course?

This course will develop your knowledge and understanding of dementia care by exploring topics such as:
Person-centred care

The influence of positive communication methods

Issues relating to the use of medication those with dementia

The importance of providing appropriate activities

The qualification doesn't infer competence in the work role but can be used to support the underpinning knowledge and understanding needed for those working in, or towards, a dementia care role.

How Is This Course Delivered?

Although this is an online course, you will receive extensive individual support throughout your studies. Your dedicated tutor is available to provide guidance and answer questions via email, telephone, Microsoft Teams calls,

or in-person meetings. This approach ensures that you can study flexibly but have access to regular support in a way that suits your personal circumstances.

What Will I Need To Bring With Me?

To complete the course, you will need access to a computer and the internet. You will be given access to an online assessment account (e-assessor) to record and document your learning evidence.

What Skills Or Experience Do I Need?

No prior qualifications, experience or skills are needed, but you may find it helpful if you already achieved a level 1 qualification. You will also benefit from possessing basic IT skills to allow you to access the online materials.

How Will My Work Be Assessed?

This course is awarded by NCFE. You will receive your own study pack made up of high-quality workbooks which your assigned specialist tutor will guide you through to complete your studies. You will be expected to complete all assessments on e-assessor, and your tutor will provide feedback after each assessment.

What Can I Do After The Course?

You could progress onto other Online Learning programmes such as:
Level 2 Certificate in Falls Prevention

Level 2 Nutrition and Health

Level 2 Principles of Infection Prevention & Control

If you are seeking work in care, you may also wish to consider classroom-based learning such as Get Into Care, which focuses on getting job-ready in the care sector. Your tutor will be happy to discuss your options with you.
