Important Information

After submitting an enrolment request you will be contacted by a member of our team to complete a questionnaire. The questionnaire must be returned before your enrolment can be finalised.

Who Is This Course For?

This qualification is designed for those with an interest in working with, or who already work with, people with learning disabilities in a variety of roles.

What Can I Learn On This Course?

This qualification aims to give learners the knowledge and understanding to work with individuals with learning disabilities or difficulties. You will explore the principles of safeguarding and positive risk-taking and gain awareness of the autistic spectrum.

How Is This Course Delivered?

Although this is an online course, you will receive extensive individual support throughout your studies. Your dedicated tutor is available to provide guidance and answer questions via email, telephone, Microsoft Teams calls, or in-person meetings. This approach ensures that you can study flexibly but have access to regular support in a way that suits your personal circumstances.

What Will I Need To Bring With Me?

To complete the course, you will need access to a computer and the internet. You will be given access to an online assessment account (e-assessor) to record and document your learning evidence.

What Skills Or Experience Do I Need?

No prior qualifications, experience or skills are needed, but you may find it helpful if you already achieved a level 1 qualification. You will also benefit from possessing basic IT skills to allow you to access the online materials.

How Will My Work Be Assessed?

This course is awarded by NCFE.

You will receive your own study pack made up of high-quality workbooks which your assigned specialist tutor will guide you through to complete your studies. You will be expected to complete all assessments on e-assessor, and your tutor will provide feedback after each assessment.

To be awarded the Level 2 Certificate in Principles of Working with Individuals with Learning Disabilities, learners are required to successfully complete 6 mandatory units:

- Unit 01: Understand the context of supporting individuals with learning disabilities
- Unit 02: Principles of safeguarding and protection in health and social care
- Unit 03: Introduction to personalisation in social care
- Unit 04: Principles of positive risk-taking for individuals with disabilities
- Unit 05: Introductory awareness of autistic spectrum conditions
- Unit 06: Principles of supporting individuals with a learning disability to access healthcare

What Can I Do After The Course?

You could progress onto other Online Learning programmes such as:
Level 2 Behaviour that Challenges

Level 2 Understanding Autism

Level 2 Nutrition and Health

Level 2 Specific Learning difficulties

Level 2 Safe Handling of Medication in Health and Social Care

If you are seeking work in care, you may also wish to consider classroom-based learning such as Get Into Care, which focuses on getting job-ready in the care sector. Your tutor will be happy to discuss your options with you.
