Who Is This Course For?

This course is designed for anyone wanting to gain the confidence and knowledge needed to plan and complete your own DIY projects.

What Can I Learn On This Course?

On this course you will plan and carry out a small DIY project over 4 weeks, looking at materials and costs involved, measurements and quantities. Skills involved in your projects may involve the following tasks:
Wall preparation, filling and sanding

Painting walls and skirting boards

Installing fixings and shelving

Repointing

How Is This Course Delivered?

This course is delivered in our fully functional, purpose-built workshop with an experienced, specialist tutor. You will have lots of opportunity to practise your new skills using the appropriate tools.

What Will I Need To Bring With Me?

You will need to ensure you are appropriately dressed to participate in practical tasks, with comfortable clothing. PPE can be provided where needed. There isn't any on-site catering so you will need to bring your own lunch and refreshments. You may also wish to bring a pen and notepad to take notes.

What Skills Or Experience Do I Need?

No prior skills, knowledge or experience will be needed or expected, but you may benefit from having some basic experience using power tools and similar equipment. Your tutor will be overseeing all tasks to ensure safety and accuracy.

How Will My Work Be Assessed?

There are no formal exams or assessments. Your activities and work will instead be assessed by your tutor, and feedback will be discussed to ensure you achieve your learning objectives.

What Can I Do After The Course?

You may wish to:
Progress to the Construction Foundations course and gain your Level 1 Construction Skills Award, as well as getting tailored employment support and help with digital skills during the programme.

Consider completing the Potting and Planting course, DIY Maintenance course or Good Grub course (cookery) to continue to gain further confidence in skills for life and work.

Your tutor will be happy to discuss your options with you.
