Who Is This Course For?

Maths Workshop is for those wishing to improve their maths skills and gain a nationally recognised Functional Skills qualification.

What Can I Learn On This Course?

You will be invited along to an assessment to discover the areas in which you have confidence and the areas you'd like to improve. Your learning aims will be decided at the initial assessment. For example, you may need to:

- Brush up on fractions or percentages
- Brush up on using numbers or metric measurements
- Learn how to handle data

How Is This Course Delivered?

The course is delivered in a classroom environment on a weekly basis. Additional support can be arranged if needed – speak to your tutor to find out more.

needed – speak to your tutor to find out more.

What Will I Need To Bring With Me?

On-site catering/café cannot be guaranteed at all our venues so you may wish to bring your own refreshments or lunch. You may also wish to bring a pen and notepad to take notes during the sessions.

What Skills Or Experience Do I Need?

No formal experience, qualifications or skills are needed, but Maths Workshops are aimed at those who already possess the basics of numeracy.

How Will My Work Be Assessed?

The Maths Workshops are assessed by Functional Skills Level 1 or Level 2 tests. Entry Level 1, Entry Level 2 and Entry Level 3 qualifications are also available.

What Can I Do After The Course?

You can use the Level 1 course as a steppingstone to a Functional Skills Level 2 or move on from a Level 2 to a GCSE Maths course.
