Who Is This Course For?

This course is for those wishing to further deepen their knowledge and competency and continue in their French learning after completing French Improvers Introduction in Term 1.

What Can I Learn On This Course?

You will continue to move on from relying on set phrases and really get to grips with forming your own, more complex sentences. The course will continue to cover topics such as:
Talking about places and what there is to do there

Describing houses and holiday accommodation

Discussing past events and holidays

Talking about work and your daily routine

Giving opinions and making comparisons

Your tutor may cover other topics to meet the needs of your group. You will have lots of opportunities for practising speaking and listening through role-play, pair and group work. We will look in more depth at grammar to help you with structuring your own sentences, gradually increasing in complexity.

How Is This Course Delivered?

The course is delivered through taught sessions in a classroom environment and take place on a weekly basis. You may be set recommended work and tasks to practice at home to ensure you meet your learning outcomes.

What Will I Need To Bring With Me?

On-site catering/café cannot be guaranteed at all our venues so you may wish to bring your own refreshments. You are advised to bring a pen and notepad to take notes during the sessions.

What Skills Or Experience Do I Need?

You will need to have some knowledge of the language (approximately equivalent to 2-3 years of learning). You will have completed the French Intermediate Introduction course in Term 1 before starting this course in Term 2. If you're new to the language, the French Beginners or Improvers programmes would be more suitable for you.

How Will My Work Be Assessed?

There are no formal exams or assessments. Instead, your tutor will regularly review your work and provide feedback to ensure your reach your learning objectives. The sessions will be fun, interesting and relaxed and you will be encouraged to participate in conversations to help you put your learning into practice.

What Can I Do After The Course?

This is our most advanced French course. Once completed, you might want to consider learning another language. We offer German and Spanish courses at beginner, improver and intermediate levels.
