Get Into Horticulture	29/06/2027	20/07/2027	Meadow Well Connected	0.00

Who Is This Course For?

This course is for those interested in starting or progressing a career in gardening or horticulture, aged 19+ and living in Northeast England.

What Can I Learn On This Course?

Through practical tasks and classroom learning, you will:
Gain vocational work experience and put knowledge from the classroom into practice

Get industry insights from people in the horticulture sector

Receive support applying for live vacancies

Learn interview skills

Get support with your CV – updating your current one or creating a new one

How Is This Course Delivered?

This course is delivered in a community venue, and sessions will take place in both a classroom environment and outdoors at the established community garden on-site.

What Will I Need To Bring With Me?

Lunch will be provided for you, prepared by the on-site café. As you will be carrying out tasks in the outdoor garden setting, please make sure you wear appropriate clothing that allows you to participate in manual tasks and keeps you cool/warm and dry.

What Skills Or Experience Do I Need?

You don’t need any skills or experience to enrol onto Get Into Horticulture.

How Will My Work Be Assessed?

There are no formal exams. Your tutor will assess completed tasks and provide feedback throughout the course.

What Can I Do After The Course?

After completing Get Into Horticulture, you may wish to enrol onto our Horticulture Foundations course to gain a level 1 qualification or visit our Working Well Hub in North Shields or Wallsend for additional employment support.
