Who Is This Course For?

This course is for those working or volunteering in the Early Years sector with babies and children under two years old, who wish to develop their skills and knowledge.

What Can I Learn On This Course?

This course is designed to explore the Early Years Foundation Stage (EYFS) statutory framework, alongside non-statutory guidance.

Topics include:

- Child development
- Theorists
- Attachment
- Supporting play
- Learning and relationships
- Communication

- Physical care

How Is This Course Delivered?

The course is delivered in a classroom environment over 5 taught classes with observations being carried out in your place of employment/volunteering and independent work being completed flexibly in your own time.

What Will I Need To Bring With Me?

You will need access to a computer, iPad or tablet and the internet so that you can complete tasks and assignments in your own time. You may wish to bring snacks with you to your evening classes as there is no on-site café. You are also welcome to bring pen and paper/notepad to take notes.

What Skills Or Experience Do I Need?

No formal qualifications are needed, but you will need to be working or volunteering in an Early Years setting with children under 2. You must have attended the taster session prior to starting this course so your tutor can ensure you meet the course requirements.

How Will My Work Be Assessed?

You will complete an online portfolio building up evidence and you will be assessed using different assessment methods such as assignments, reflective accounts, being observed in the workplace and creating work documents.

What Can I Do After The Course?

Depending on skills and experience you could progress onto:
Level 2 Diploma Technical Occupational Entry for the Early Years Practitioner
